SAFETY HANDLING

WARNING

This sport gun is developed for serious sport shooting only. As the Airtsoft Gun has the potential risk of serious injury such as blindness and damage to the property, please read the Handling & Instruction manual before use.

- This Airtsoft Gun is capable of shooting a 6mm diameter BB. Operate the Airtsoft Gun with caution and pay attention to safety.
- During a game, always put your goggles or facemask on. Failure to wear eye protective gear in the worst case will cause blindness.
- Pay attention to and take care to not hit bystanders within the estimated dangerous firing zone.
- Never shoot any items that subject to breakage. (Glass, lamp, car, gas tanks, etc.)
- Never insert items other than an airtsoft BB into the magazine or gun barrel.
- The gun must not be operated after drinking alcohol to avoid possible danger.
- Always store or place out of the reach of children.
- Having a positive playing demeanor is essential.
- Select a safe place for operating the Airtsoft Gun. Avoid places where people and cars pass across or third persons are around.
- Always put the gun in a case or bag when you are carrying it. Avoid giving rise to public panic.
- BB bullets maybe fire out even the magazine is removed. Direct the muzzle towards a safe area. Pull the trigger to confirm no bullets remain in the gun. Then attach the protective plug to the muzzle when unused.
- Remove the magazine from the gun when unused.

DESCRIPTION

SAFETY/FIRE SELECTOR
